S.V. Men Indicted In Barber Shop Rate War

SAN DIEGO (CNA) — Two brothers, accused of bombing and window-smashing at non-union barber shops, will go on trial Jan. 4, it was ordered Wednesday.

Joseph Jack Roccoforte, 28, of 10707 Jamacha blvd., Spring Valley, and Don Phillip Roccoforte, 24, of El Cajon, both barbers, were arrested Aug. 26 on a grand jury indictment. They pleaded not guilty in Superior court two days later and were released on \$6,250 bond.

Local Girls Are Finalists For Princess

Three local girls, Debra Holland, 16, of Monte Vista High School, Tami Smith, 16, of Mount Miguel High, and Diana Lee Jackson, also of Mount Miguel, have been named finalists in the Mother Goose Parade princess contest.

The girls, who were among 12 finalists who made the grade last Saturday after weeks of selling parade stickers and Mother Goose Association memberships, will enter the final judging Saturday.

The twelve girls will comprise the "Royal Court" at the parade, scheduled for November 22 in El Cajon, and one of the girls will become the princess after judging this weekend.

La Mesa Man Booked On Robbery Charges

Walter Reiner, 30, of 4322 Parks st., La Mesa, was booked in county jail on suspicion of robbing the La Presa Liquor store, at 539 Grand ave., Spring Valley, after being involved in a traffic accident on Highway 94 Sunday.

The suspect, who is suspected of robbing store clerk Clement Boehm of \$300 at 10:56 a.m. Sunday, was not injured in the accident just east of Dulzura, which took place shortly after the robbery.

The charges against the pair are extortion, malicious use of explosives, use of explosives near buildings and malicious mischief. The grand jury indictment charges that the two were involved in a rate war and organizing drive associated with the International Barbers Union. The evidence against the brothers was furnished by Michael Bell, who was granted immunity for his testimony.

Police records claim that more than a dozen non-union barber shops were victims of the terror tactics they attribute to the Roccofortes. Barbers are quoted as saying they were warned that they should join the union and that their shops were damaged when they refused.

Grove Man To Direct 'Red Shoes'

T. M. Schmidt of 7408 Central, Lemon Grove, will direct the first Theatre for Children production of this season, "The Red Shoes," opening today at United States International University's Center for the Performing Arts.

The play, based on the fairy tale by Hans Christian Andersen, marks the second year of production for Theatre for Children, which caters to the youngsters in the San Diego area. It will be staged in two performances every Saturday through Jan. 23.

Schmidt, a graduate student majoring in Theatre Arts at the University's School of Performing Arts, holds an M.A. degree in Theatre Arts from San Francisco State College. He has taught at USIU for the past two years.

In addition to "The Red Shoes," he has directed Chekhov's "Uncle Vanya," Lorca's "House of Bernarda Alba" and "Stop the World, I Want to Get Off" by Anthony Newley at the Oklahoma College of Liberal Arts.

Local Band Goes To Rose Parade

TROPHY TIME — Bob Myers, left, drum major of the Mount Miguel marching band, laughs it up with band director Gene Corporon after Mount Miguel made off with these trophies. The large trophy is a perpetual one, which has Mount Miguel inscribed on it for the fifth time in 13 years, as sweepstakes winner from the Autumn Band Review. Of the two smaller trophies, one is the sweepstakes trophy, and the other is an award for best musicianship.

Mount Miguel Marching Band Takes Sweepstakes At Review

The Mount Miguel High School marching band, following a fine performance at the Autumn Band Review, held over the week end in San Diego, has been selected to represent San Diego area high schools at the Rose Parade, January 1 in Pasadena.

The Monte Vista band, after representing the area last year, was ineligible to compete for the honor this year.

The Matador band, led by director Gene Corporon and drum major Bob Myers, amassed 94.4 points at the Review, to edge Orange Glen by .1 points for the sweepstakes award.

The honor marked the fifth time in 13 years that Mount Miguel was chosen the representative in the Rose Parade.

At the Rose Parade, the band will have to march seven miles, and will be viewed by an anticipated 300 million people, including those watching on national television.

Corporon has worked out a busy schedule for the band as they tune up for the parade New Year's Day.

On tap are parades at Santa Monica, November 14, West Arcadia, November 21, the Long Beach All Western, November 28, and the Mother Goose Parade, November 22.

The band will also make a guest appearance at Disneyland November 29, and will perform the half time show for the San Diego Chargers December 6.

At the Autumn Band Review, another local school, Helix High, fared well, taking second place in the Class AA division. The Helix drill team took first place in the drill team category for Class AA.

Coach Joins Fight Against Birth Defects

Alex Hannum, whose San Diego Rockets have embarked on a long and tough professional basketball campaign, has accepted another challenge, joining the fight against birth defects.

The head coach last week was appointed campaign chairman of the 1971 fund-raising drive for the prevention and treatment of birth defects by Robert Swisher, chapter chairman for the National Foundation-March of Dimes. The annual campaign will be conducted in January.

"It was interesting for me to learn that the March of Dimes is the number one investor in research in San Diego County by a philanthropic health organization," Hannum said.

Oceanside Police Cites S.V. 'Smoke Blower'

SAN DIEGO (CNA) — A Spring Valley man who allegedly blew smoke from a marijuana cigarette in the face of an Oceanside police officer was ordered Friday to go on trial in Superior Court on Dec. 9.

Thomas Norman Lucas, 27, of 9358 Vista way, Spring Valley, was arrested in Oceanside July 1. The officer making the arrest alleges that Lucas was smoking a marijuana cigarette when stopped for a check on his car.

The officer charges that Lucas threw his burning cigarette from the car while being followed. He recognized the marijuana by its odor, the officer stated.

Lucas pleaded not guilty in Vista on Oct. 20. He is at liberty on bond.

Corporon says that his band is a relatively young band, with 65% of the members being new, with this as their first year of competition on the high school level.

He also noted that the success of the band this year can be attributed to a collective effort by the community and the band members.

Next on the band's schedule this year is the Grossmont District Band Jamboree, November 7 at Aztec Bowl.

The Band Jamboree, which will raise funds for the trip to Pasadena and for new uniforms for next year, will get underway at 7:30 p.m.

Purse Snatching Warning Issued

Family dinners may be skimpier this season because of mama's carelessness.

Sgt. W. E. "Swede" Larson, in charge of the Lemon Grove office of the San Diego Sheriff's Department, said today that reports of purses being stolen from shoppers in local markets are growing.

Sgt. Larson said women often leave their purses untended in shopping carts as they stroll down the aisle to pick and choose. It takes an alert thief only a moment to remove the wallet, checkbook or credit cards from the purse and the shopper doesn't find it out until she reaches the checkout stand—broke.

He said that such thievery usually increases as the holiday season approaches. This is probably because there are more careless shoppers in the stores.

The best protection is to carry the purse under the arm, he said. And don't make the mistake of believing it won't happen to you, he added.

Bulletin!

All voters will be asked to supply their social security number to the precinct officers when they go to the polls to vote on election day Tuesday. The purpose is to have positive identifying data on the voters, according to Charles Sexton, Registrar of Voters. With the growth of San Diego there are now well over one-half million qualified electors. Many common names are duplicated as many as ten or more times and even unusual names have exact matches in file. The use of the social security number will insure that transactions in the voter file, (change of address, transfers, change of party, change of name, cancellations and additions) will be handled efficiently and accurately, Sexton said. All voters are urged to be able to provide this information when they go to the polls on election day.

LG Fire Report

The Lemon Grove Fire Department had a "light" week, Oct. 19-26, with one rescue call and two fire calls.

On Oct. 25 at 4:50 p.m., the department received a call to 3667 Olive st., but when rescuers arrived, Lewis Alvarez, 44, had died.

On Oct. 19, an electrical short in a car, belonging to Chuck Husky, at 7668 Central, caused minor damage.

On Oct. 25, at 1:38 p.m., firemen were called to the 2300 block Massachusetts. There a small grass fire had started by children with a cigarette lighter, but there was no damage.

Tickets are available at Mount Miguel High School or from band members, or from other schools in the district.

The Jamboree will feature the marching bands from all eight schools, along with specialty corps.

District Supports Propositions 3 And 4 On Ballot

A short meeting of the Lemon Grove School District Board of Trustees took place Monday night, and the members voted to approve the renewal of a contract with San Diego State College for provisions of practice teaching, and accepted the financial audit report from last year.

The board also listened to reports on the pending Angelus Heights Rezoning, the Encanto area rezoning, and discussed Public Law 874, which allows for funds for special education of needy and handicapped students.

Paul Reynolds reported to the board on legislation, and the subject of propositions three and four which would require that the state budget be passed earlier.

The board noted that problems have arisen from a late budget, which causes difficulty preparing the district budget, as the amount of funds available are not determined.

The board passed a motion unanimously to support propositions three and four.

Fire Victims' Help Needed

A critical need exists for tools and lumber to assist rebuilding for the hundreds of families whose homes were destroyed in the recent San Diego area fires, the Crest Center said today.

In addition to the lumber, Mrs. Ruth Bertling, an emergency volunteer worker at Crest stressed the immediate need for garden tools, saws, hammers, wrenches, screwdrivers and household cleaning tools such as brooms, mops and dustpans.

"Those who can donate these items are asked to deliver them to the Bertling home at 1093 LaCresta blvd. in Crest. If necessary, arrangements can be made for pick-up by calling 444-3707 or 488-8765."

Broadway Petitions To Be Circulated

Petitions for the improvement of Broadway will be circulated in Lemon Grove starting next week, Bob Russell, president of the L.G. Chamber of Commerce said today.

Petitions have been acquired for the Department of County Engineer, he said.

The proposal is to install median controls and county landscaping at County expense. Maintenance would be at property owners expense through a County Services Area enactment. Parking along Broadway between Olive and Kempf would be behind safety islands and maintenance costs would be borne by those owning that property.

Details of the petition project will be given following a meeting of executive officers of the Chamber and of the L.G. Planning Association which is scheduled for next week.

Help at the Ballot Box

Each election this newspaper's scoreboard on voting is published. Throughout the election season, material is published regarding most issues and most candidates. Nearly every one has made up his mind by the time is less than a week away. As a matter of interest, a local master political tactician once convinced his listeners that any election is joined 90 days ahead of the vote. There may be switches but there would be switches both ways.

The evaluation is a fairly accurate one but it would be changed if the candidate was caught stealing — or arrested as a hit-run-drunk driver, or became involved in some other cardinal scandal. But issues, according to this measure, have already been decided even if the winning candidates have not.

That is one reason endorsements aren't as all-powerful as many believe them to be. It is true that readers are sometimes uncertain on some issues — or even some candidates. But not a lot of people are undecided on all of them.

Therefore, this scorecard is simply a guide for those who have lost their way on the king-sized off-year ballot.

Grove Chamber to be Forum For Street Widening Dissidents

The Lemon Grove Chamber of Commerce will provide a forum for a meeting of residents of the Central, San Miguel and Mt. Vernon streets at Massachusetts who are up in arms regarding a planned widening project.

Bob Russell, Chamber president, said he would attempt to bring representatives of the County Road Department to the next meeting at which some of the complaining residents will attend.

The board also agreed to again sponsor a Christmas Decoration contest and named Frank Shughrue and Gary Sweet as chairmen. Rules will be announced at the next meeting, he said.

The board approved moving the next meeting date up one week to Nov. 19 because Thanksgiving falls on the regular meeting date. The meeting will be on noon at the Embers.

Announcement was made of a shopping center to be built starting early next year at the southwest corner of

Broadway and Massachusetts. The corner will contain an Alpha Beta market. Of the 40,000 square feet of development, about one-third of the total will be individual shops.

At the Thursday meeting, the Sheriff's Lemon Grove Patrol discussed their duties. Deputies Richard Rabell, and Dave Pugh, on a two-year assignment locally, told of the program of "getting-out-of-the-car" to cement community relations. "We want to become well known by local residents. We want to be regarded as yesteryears policeman on the beat." The pair described plan-

ned community councils at which the men would take part and answer questions. They plan talks in schools regarding drugs, juvenile probation and other current matters. Pugh cited figures that showed the number of crimes per 1,000 populations in Lemon Grove were less than the preceding year.

The Chamber secretary, Joyce Foss, reported the population of Lemon Grove to be 25,782. The figure, she said, was officially supplied by the County.

Avondale Plans Carnival This Saturday Evening

Avondale's annual Halloween Carnival will be held Saturday, on the school grounds.

According to Mrs. Leo Imbimbo, carnival chairman, a costume parade at 2:30 will begin the day's events. Children in grade 3 through 6 will participate in a cake decorating contest at 3:30 followed by a dog act. Game booths open at 4 p.m.

Other events of the carnival

include the cake walk, and spook show, featuring three ten minute films. A spaghetti dinner will be served in the cafeteria for 75 cents.

Vista La Mesa

Vista La Mesa School grounds will be transformed into a "haunting ground" on Saturday evening. Game booths, cake walks, spook house, white elephant sale, and a costume parade have been

planned by PTA Carnival chairman, Mrs. Frank Belio.

Every child entering the costume parade will be given a free ticket to a game booth. Booths will be open from 5:30 until 8:30 p.m.

An ala carte dinner consisting of hot dogs, chili dogs, hamburgers, tacos, homemade cakes and pies will also be served in the cafeteria from 5:30 until 8:30 p.m.

Mt. Vernon

Fun and excitement woven with the "erie happenings" of witches, ghosts and goblins are guaranteed to provide an evening of family thrills tomorrow night at Mt. Vernon Elementary School's Halloween Carnival.

Sponsored by the Mt. Vernon PTA, the event is to be held on the school grounds from 5-9 p.m. and features such popular crowd pleasers as a giant costume parade, food and game booths, prizes, a genuine Spook House and a mini-bazaar.

The costume parade begins at 7 p.m. and will be led by a miniature king and queen. A Spook House has mysteriously developed on the auditorium stage while the mini-bazaar displays objects eagerly desired by all.

Food items "conjured" up for consumption are hamburgers, chiliburgers, hotdogs, chili, french fries, cake, pie, candied apples and sno cones while specially "brewed" cola and coffee drinks are available. In order to handle the usual large crowds, a revised food area has been designed for faster service.

Games include a baseball throw, ping pong toss, fish pond with live fish, bean bag toss, carpenter's booth, ring toss and treasurer chest. All booths will be staffed by parents and teachers.

Carnival chairman Mr. and Mrs. Ralph Tresser have extended an invitation to the entire community to join in the festivities.

Meeting Set For Historical Society Nov. 4

The regular meeting of the Spring Valley Historical Society is scheduled for Wednesday, Nov. 4, at 7:30 p.m., in the Society's Annex, Memory Ln., Spring Valley and will be open to the public.

One of the main items to be discussed, will be the new budget, which will be presented by the budget committee, composed of Bill Zabel, chairman; Bessie Bailey, treasurer, and member, Mildred Moran.

It was reported that during the month of September, approximately 100 persons visited the Spring Valley Museum.

It was also noted that the student archeologists, who have been digging on the S. V. Historical Society's grounds for artifacts, have also been "digging" in various places for aluminum cans to be converted into cash to help them with their expenses.

These young archeologists do need outside help with their finances, and anyone with extra sacks of aluminum cans may leave them at the S.V. Museum on Memory Ln. and they will be picked up by the youth for their needs.

Taxi Driver Assails Lights

Dear Editor,

I am a taxi driver on the evening shift in San Diego and while driving home at night, must travel the streets of Spring Valley. Herein lies my dissatisfaction with the traffic signals.

Most of these traffic signals are supposedly treadle operated, but that is a deception. On several instances in Lemon Grove, I have been forced to wait for periods as lengthy as five minutes while staring at a left turn arrow holding for cars that are non-existent, at other intersections the green light is set for side street, non-existent traffic.

Traffic signals at best are expensive and an acute barrier to the smooth flow of traffic. They tend to bunch up cars into tight little groups and thereby raising the risk of accidents. However, I realize that most are a necessary evil at main crossings, but why at third and fourth rate streets? Why are these signals even operating at all at this time of night when traffic is at a low minimum? At least 75% of these signals could be on "flasher."

The new signal installed at Mount Miguel High School is an affront to intelligent thinking. It was totally unnecessary in the first place and a waste of tax payer's money in the second place. Whatever the scope of reasoning for this signal is beyond my comprehension. Don't give me any hog-wash about it being a school corner, a high rate accident corner either. The only ones I see to gain of this are

the hitch-hikers going home from school. Want to see something real goofy? Come down Sweetwater road southbound about 2 a.m. and watch this signal. It goes crazy with changing colors.

I figure most of the citizens in the Lemon Grove and Spring Valley areas are not aware of this as the signals become respectable again in the daylight.

Dear Editor:

This appeared in a recent issue of your newspaper: "The new rooms (Jamul-Las Flores) will be carpeted and air conditioned and will have no windows. Air conditioning is being installed in two other rooms at the school."

Now, this is ridiculous and you must do something about it!

What are the schools coming too? First drugs to make children less active and now windowless classrooms.

That'll do it all right. Johnny not only can't read but he'll sink into lethargy.

It's a child's inalienable right to look out of a classroom window, hear leaves rustling, a bee, perhaps, drifting in — the sun.

The stupidity of those in authority who should know better — well, like the detergent commercial on teevee, it's UNBELIEVABLE!

Monte Vista Grid Squad Upends El Capitan For First Win Of Year

By Tom Blatter
The Monte Vista Monarchs, led by a tenacious defense, upset the highly regarded El Capitan Vaqueros, 14-0, at Monte Vista Stadium last Friday night.

The victory was the Monarchs' first of the season, and they are now tied with El Capitan for fourth place with a record of one win and three losses.

Junior halfback Tim Murphy scored both Monarch touchdowns. The first touchdown was a five-yard swing pass from senior quarterback

Richard Weathers to Murphy in the first quarter.

The drive started after a Vaquero punt landed on the El Capitan 48. In the first series, Weathers hit tight end Les Frank on a quick slant-in pattern for a 28-yard gain to the Vaquero 20. Weathers

drove his team to the five-yard line, where he hit Murphy for the touchdown.

Midway through the second quarter, the Vaqueros drove to Monte Vista's 18-yard line. The Monarch defense, led by senior standouts Jim Arneson, Richard Lauzier, Mike Meyer, and

Mark Ochs, stopped the Grossmont League's leading rusher, Bill Fudge, from gaining the important first down.

From the Monarch 18, Monte Vista moved to their second score. Murphy ran an off-tackle play for a 25-yard gain. Quarterback Weathers connected with slotback Kent Jones for 16 yards to the El Capitan 35.

At that point, the Monarchs ran a trap play to Murphy, who galloped 35-yards for his second touchdown of the game.

In the second half, both Monte Vista and El Capitan moved the ball well, but suffered fumbles to nullify drives.

Monte Vista will meet the El Cajon Braves at Granite Hills Stadium tomorrow night at 8 p.m. The Braves are led by senior halfback Mike Sloan, who ranks second in the league in rushing. El Cajon posts a 2-2 record.

With Monte Vista improving every week, the game should prove to be a good contest.

Aztecs To Host Fresno In Shrine Game Saturday

Following a weekend of inactivity, San Diego State's unbeaten football team returns to the turf this Saturday night.

The Aztecs will host Fresno State in the annual Al Bahr Shrine game in San Diego Stadium. Pre-game activities are scheduled to begin at 7:15 p.m. with the kickoff set for 8:30.

The contest pits the top two Pacific Coast Athletic Association unbeaten against each other. The outcome will make or break someone's championship aspirations. The visiting Bulldogs are 3-0 in conference play, having beaten UOP, 34-14, UC Santa Barbara, 25-10, and Cal State Los Angeles, 51-6. San Diego State stands at 2-0 in PCAA play and owns a 35-0 win over Cal State LA and a 32-6 triumph over San Jose State.

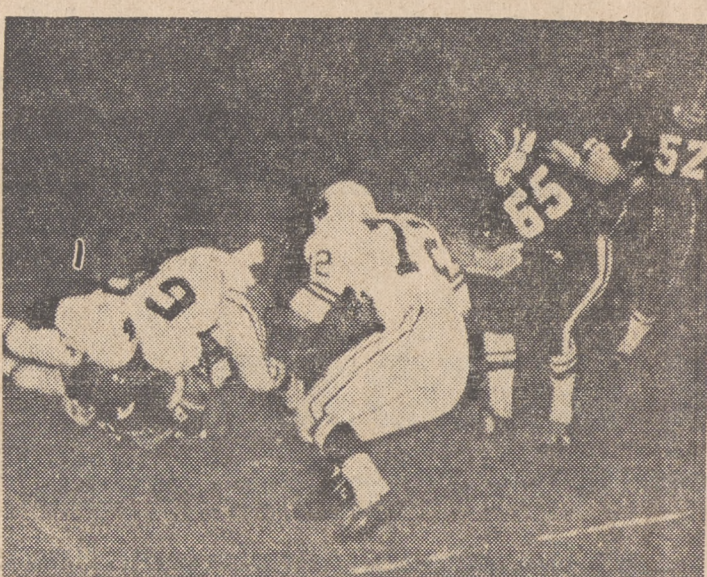

"We're really going to have a fight on our hands," comments Aztec head coach Don Coryell. "Fresno State is our traditional rival. No matter what the records of the teams are, each year plenty of fireworks happen."

"This year's game could be one of the best ever. Coach Darryl Rogers has a fine team — one that can do everything offensively — and they'll be really gunning for us."

Both clubs are riding along on winning streaks. The Aztecs have gone unbeaten in their last 28 games (longest in

the nation) and have won their last 18 in a row. Fresno State has won its last four with a 26-12 loss to Montana State the only blemish on its record. Going back to the 1969 season, FSC has won eight of its last nine games.

Apart from their long unbeaten streak, the Aztecs will be out to maintain a mastery over Fresno State they've held since 1961. That was the last time FSC won as San Diego is on the crest of an eight-game winning string. Overall, this week's game should prove to be the tie-breaker as the series stands at 14-14. The series is the second-longest on the

ANOTHER LOSS — Mount Miguel's Kevin Pullen is dumped for a loss in recent Grossmont League football action. The Matadors lost last Friday for the sixth time in a row, 44-0.

INSTRUCTORS — Ted Fenn, 9, watches carefully as Randy Provinzano and Nancy Benson show proper way to start sprinting events. The two are instructors in the La Mesa Recreation Department's track and field clinics which start November 7 at Helix High School. Provinzano will coach boys and Nancy will teach the girls.

Pony League Plans Meeting November 6

The Spring Valley Pony League will host a meeting November 6 to elect officers of the league for the 1970-71 season in the cafeteria at Spring Valley Junior High School, at 8 p.m.

Matador Runners Win Second Footballers Drop Sixth Straight

By Walt Ekard

Mount Miguel sport fans had something to cheer about Friday afternoon, as the cross country team won its second meet in as many weeks, but that evening, the football team lost its sixth straight.

The footballers, well on the way to a winless season, took another step in that direction by losing to the Santana Sultans 44-0 before a large crowd at Mount Miguel.

Four first half touchdowns by Santana floored the Matadors early. The first was a thirty-one yard gallop followed by plunges of five, one, and three yards.

The Mats gained little yardage in the game with the rushing of Kevin Pullen gaining forty-eight of Miguel's sixty-seven rushing yards. Quarter-

back Mark Dubransky, when able to scramble away from constant Sultan pressure, completed three of twelve passes for eleven yards.

The Matadors fumbled twice and lost the ball on an interception which helped set up Santana scores.

Miguel's standouts in the game consisted of defensive backs Jim Reese and Dave Rower, and captain Ken Brean.

Next week, the Mats travel to Grossmont to play the league leaders and co-C.I.F. favorites. Grossmont employs a mighty running attack with a balanced passing attack headed by Matt Fahl.

The Mount Miguel cross country team, sweeping seven of the first eight places, crushed the Santana Sultans 15-49, at Mount Miguel.

Miguel's Joe Stubbs raced over the Matador course in 9:09.8, taking first for the second week in a row. Senior John Heimaster finished a close second in 9:09.9. Sophomore Joe Badger, Jimmy Jones, Bob Morrison and Oscar Torres, finished just back of Stubbs and Heimaster.

The victory was the Matadors' second in succession after two opening season losses. The Miguel team seems to be putting it together now with Morrison and Heimaster completing the race sixth, seventh, and eighth. Dave Parker ran a 10:33, Larry Bundy finished with a time of 10:45, and Bob Bynon turned in a 10:47 clocking.

'Charlie's Chargers' Game To Be Televised

The Adventures of Charlie's Chargers on the Shores of Lake Erie is the Sunday morning television thriller this week.

Commanding a cast of Kansas John (Had), Columbia Kid (Marty Domres), Sir Lancelot (Lance Alworth), Gary the Ghost (Garrison), Golden Shoes (Gene Foster), Mighty Mike (Garrett), and Mighty Mouse (Dickie Post), Coach Charlie Waller leads the San Diego Chargers against the Cleveland Browns.

Action begins at 10 a.m. (PST) at Cleveland's huge Municipal Stadium. Jim Simpson and Al DeRogatis will narrate for NBC over KOGO-10. Stu Nahan and Emil Karas broadcast over KDEO and the Charger network.

While the Chargers (1-3-2) are struggling to climb the ladder in the AFC West, they must lead the whole NFL in excitement. Four of San Diego's six games have been decided by less than three points with the script usually calling for a roaring Charger comeback.

Take last Sunday's adventures against the Houston Oilers before 41,427 at San Diego Stadium. Trailing 31-14 into the final minute of the third quarter, the Chargers rallied for a 31-31 tie and missed a chance at a winning field goal when Domres tossed an inter-

ception from the Houston 34 with 41 seconds left.

"It was a repeat of the Green Bay game," said Coach Waller. "We make a great comeback, get the game where we want it and then let it get away with an interception."

Just as in the Green Bay game and in three Charger pre-season victories, Domres was the comeback catalyst. The sophomore pro from Columbia sparked the team to 17 points, the final seven on an 80-yard bomb to Alworth with 3:46 left. The subsequent interception was caused when Domres was hit by a blitzing George Webster.

San Diego hopes of an upset against powerful Cleveland (4-2) received a lift by the return to action of Post after only five weeks on the sidelines because of knee surgery. Garrett made a hit in his San Diego Stadium debut by gaining 14 yards on his first carry.

Miguel Polo Team Downs Fallbrook

Mount Miguel's water polo team, with the help of 14 goals from co-captains Line Szuch and Dave Johnson, out-splashed Fallbrook 20-6 in the losers' pool last Friday night.

Szuch led all scorers with his eight tallies, while Johnson managed six more. Other scorers from Mount Miguel included Ike Bailey, Phil Rounds, and Jim Tarantino.

The game, a tune-up for a crucial contest scheduled for tomorrow, was all Miguel as the Matadors drew blood early and went on to smother their opponents.

The Miguel swimmers will take on Coronado tomorrow afternoon at Henry Gunther Pool in an encounter that will decide which of the teams will go into C.I.F. competition after the season is over.

To put it lightly, as did Line Szuch, "It's a big game."

Grossmont Accepting Applications For Three 1971 Fall Programs

Grossmont College is now accepting applications for enrollment in the dental assisting inhalation therapy and nursing programs for the 1971 Fall semester. Deadline for submitting applications for health science courses is April 1.

According to Mrs. Mary Ann Escamilla, dental assisting program coordinator, the associate degree program in dental assisting is designed to prepare women for direct entry into this semi-profession.

The program emphasizes the technical aspects of dental assisting but also includes training for the development of need office skills. Upon completion of the program, the student is qualified to take the National Certification Examination.

Associate Degree

The associate degree program in inhalation therapy prepares men and women for careers as registered inhalation therapists so that they may be engaged in the treatment of maladies of the cardiorespiratory system and become skilled in the maintenance of life support systems. Thomas D. Blyer is coordinator for the inhalation therapy program.

The associate degree nursing program prepares men and women to give direct nursing care to patients in hospitals, clinics and doctors' offices. Upon completion of Grossmont College degree requirements and specified courses in nursing education, the student is eligible to make application for the State Board Test Pool examination leading to licensure as a registered nurse, according to

Mrs. Marilyn Rummerfield, nursing education program coordinator.

High School Grads

Prospective students applying for admission to any one of the three programs must be high school graduates and able to meet all admissions requirements for entrance into Grossmont College. Students enrolling in the inhalation therapy or nursing program must also have completed a high school or college lab course in chemistry with a grade of "C" or better within the last five years.

To apply for admission to the health science associate degree programs at Grossmont College, prospective students are urged to obtain information about the traffic program through an interview with a member of the college counseling staff. A completed application, on a form obtained from the Counseling Office, must be filed with the Department of Health Sciences.

Transcripts

Prospective students should also request that transcripts from previous high schools and colleges to be forwarded to the Department of Health Sciences. Each applicant should then make an appointment with that department for an interview.

Deddeh Gives Report On Long Legislative Session

Assemblyman Waddie P. Deddeh (D-77) reported to the Spring Valley Kiwanis Club last week on the longest session of the state legislature in history.

According to Deddeh, approximately 4500 bills were introduced in the session, including constitutional amendments and resolutions.

Deddeh noted that for every bill introduced, \$600 of the taxpayers' money is spent, and for every bill amended, \$100 to \$150 is spent.

Of the 4500 bills introduced this session, 1704 ended up on the governor's desk, and 79 were vetoed.

Speaking on the tax reform bill, which he voted for, Deddeh said he favored state income tax withholding, the abolishing of inventory tax, and the reduction of taxes for homeowners.

Deddeh also told of 87 bills

presented designed to reduce campus violence. He said that the two bills which were drafted dealing with the problem upheld the right to dissent, but not the right to destroy.

The most important bill, according to Deddeh, was passed by the assembly, but killed in the Senate.

The bill, which would require that lead be taken out of gasoline, would help protect the environment from pollution.

Deddeh said that the real "villain" in the smog problem is the oil industry, which accounts for 85% of the smog and air pollution.

'Little Murders' Opens Tonight At Cassius Carter

By Lynn Jones

Cartoonist Jules Feiffer portrays contemporary American family life in his stage comedy "Little Murders." The Old Globe Theatre will present the first San Diego production of the original play at the Cassius Carter Centre Stage in Balboa Park. A seventeen performance run will open Octob re29.

Feiffer has been a popular cartoonist for the past two decades concentrating on family life, contemporary problems and national conditions. The comedy includes aspects of all three situations. "Little Murders" has been presented to much acclaim in New York, Los Angeles, San Francisco and other cities. The movie, currently being filmed, stars Elliott Gould.

In "Little Murders" Feiffer satirically criticizes the accepted American ideals of sex, marriage, religion, psychiatry and the law. As a contemporary big city family attempts to combat the threat of violence, they are forced to participate in the violence they fear.

Luci McBride and Dan McLaughlin, as the representative husband and wife, attempt to hold their family together. Both performers have previous Old Globe Theatre experience. Their self-possessed daughter is portrayed by Donna Rodman, in her first Old Globe role. She is preparing to marry a docile young man, played by Al Charlens. Jack Mancilla is the sensitive son. A hippie minister will be played by Robert Larsen. Peter Smith is a conservative judge and Jack Winans is a police lieutenant. Also in the cast are Lydia Ariado, Norman P. Butler, Anne Grogan, Ann Kern, Lucille McMahon Vore and Russell R. Webb.

Richard Nesbitt is guest director for "Little Murders" at the Carter Centre Stage. He has been associated with the American Conservatory Theatre in San Francisco for three years and previously directed "Little Murders" at the American Theatre Company in Portland, Oregon.

Performances of "Little Murders" will be presented October 29 through November 15, nightly except Monday. An 8 p.m. curtain time is scheduled for Tuesday, Wednesday, Thursday and Sunday evenings with performances at 8:30 p.m. on Fridays and Saturdays. A single matinee performance is scheduled at 2 p.m. Sunday, November 15.

Students through college may purchase reserved seat tickets to "Little Murders" at a 40% discount. The student rate of \$1.50 is available for all performances except Saturday nights.

The International Company's 1970-71 season will open with the comedy "Joe Egg" on Wednesday, November 4 in the Theatre East. It will be directed by Ronald Arden.

"Joe Egg," said director Arden, "was selected as our first production because it is an immensely moving play about love and marriage. It is also a wildly funny comedy about a seemingly contradictory family tragedy."

Mr. Arden chose a real-life husband and wife acting team, Philip and Susan Taylor, for the plays husband and wife lead roles of Bri and Sheila. Major supporting roles and players are: Joe Egg, Susan Covey; Pam, Maruee Sennett; Freddie, Charles Vernon; Grace, Minerva Marquis.

Philip Taylor, who portrays the wise-cracking husband came to San Diego directly from the Royal Shakespeare Company, London. He has appeared in numerous British and American television films.

Susan Taylor, formerly on the staff of the Center Theatre Group, Los Angeles, portrays the wife, an earth-mother type, bestowing her love promiscuously upon tame fish, cats, parakeets and, of course, her husband. Miss Taylor was a member of the Berkshire Playhouse Company in Massachusetts.

Sandi Covey is Joe Egg, the child from whom the play derives its title.

Marilee Sennett plays Pam, a squeamish family friend. Miss Sennett studied at the Guild Hall School of Drama, London. She has had major roles in "Miss Julie," "Troilus and Cressida," "The Crucible" and others.

Charles Vernon, a specialist in comedy, plays the part of Freddie, a well-meaning wealthy friend of Bri and Sheila. Mr. Vernon has a wide range of theatrical credits in Britain, the United States and South Africa. He was brought from the National P.A.C.T. Theatre Organization in Johannesburg, to join The International Company here.

The role of Grace, Bri's doting mother, is played by Minerva Marquis, award-winning actress and director.

"Joe Egg" will be shown in Theatre East, the presceniun playhouse located in the Center for the Performing Arts. The comedy will run Wednesdays through Saturdays for eight evening performances beginning November 4 at 8:30 p.m.

Tickets are available now at the Box Office, located in the Center for the Performing Arts, 350 Cedar Street, 239-0391, ext. 71.

Thirty-five year old Van Cliburn is a man of great stature. His long, rangy frame is well over six feet tall. But it is not for his physical stature that Cliburn is known. It is his musical stature which causes him to be revered by music lovers from Moscow to New York to San Diego.

Cliburn will reacquaint San Diegans with his magnificent musical artistry when he performs with the San Diego Symphony Orchestra on October 29 and 30 at 8:30 p.m. in the Civic Theatre. Zoltan Rozsnyai, music director and conductor, will direct the Orchestra in a program featuring Cliburn in Tchaikovsky's Piano Concerto No. 1. The Orchestra will also perform Barber's Overture to "The School for Scandal" and Shostakovich's "Symphony No. 12".

Tickets for Van Cliburn's appearances on October 29 and 30 are available at the Civic Theatre, all Metro Ticket Agencies and Highlander Stores. For more information call the Symphony Office at 232-3078.

Eagles Upend Helix Gridders

The Helix Highlander football team had the rug pulled from under it last Friday night, dropping its first game of the year to the Granite Hills Eagles, 14-13.

After shocking football buffs throughout the Grossmont League for three straight games, the Highlanders looked more like pre-season predictions showed, losing three fumbles, and missing an extra point attempt that eventually was the difference in the game.

Helix drew first blood in the contest, scoring on a 73-yard interception return by Chip Swanson, but couldn't muster the needed offense against the defensive-minded Eagles.
